Introduction
Thank you for your recent purchase of Owens Corning® roofing shingles manufactured by Owens Corning Roofing and Asphalt, LLC ("Owens Corning"). We believe we manufacture the highest quality and most attractive shingles available anywhere, and that is why we stand behind them with one of the best warranties in the industry. We have attempted to write this warranty in clear, plain English, so you will fully understand the warranty we are making to you. If anything in this warranty is not clear to you, please call us at 1-800-ROOFING or visit our web site at www.roofing.owenscorning.com.

Who Is Covered
To be entitled to the benefits of this warranty: (1) your property must be located in the United States or Canada and (2) you must be either (a) the original consumer purchaser (the property owner, not the installer or contractor) of one of our shingle products listed in the "Limited Warranty Information Table" at the end of this warranty or (b) the first person to whom the original purchaser transfers this warranty along with ownership of the structure on which the shingles are installed (either person described in (a) or (b), "Owner"). (For detail regarding transferring this warranty, please see "Transferability of This Warranty" below.)

What Is Covered
We warrant that your Owens Corning® shingles are free from any manufacturing defects that (1) materially affect the shingles' performance on your roof during the Tru® Protection coverage period or (2) cause leaks during the balance of the applicable warranty period after the Tru® Protection coverage period has expired. (To determine the length of the Tru® Protection coverage period and the balance of the applicable warranty period, please see "How Long Are You Covered" below and the "Limited Warranty Information Table" at the end of this warranty.)

This warranty applies only to those shingles purchased after January 1, 2016 and before the date a later warranty applicable to the shingles comes into effect.

How Long Are You Covered
For example, the cost of labor will be covered. We will prorate the amount of our compensation to you to adjust for the number of years of use you have enjoyed from the original installation date through the date of your claim. For example: If you have a 25-year warranty, and you make your claim anytime in the 15th year of the warranty, our compensation to you will be reduced by 14/25ths of the Owens Corning® shingle cost at the time of purchase. For lifetime shingle coverage (for as long as Owner owns the home on which the shingles are installed), see the "Limited Lifetime Shingle Proration® Table".

Owens Corning reserves the right to arrange directly for the repair or replacement of your Products instead of compensating you directly.

3. Other Types of Structures—The coverage for all Owens Corning® shingles offered by this warranty depends on the structure on which the shingles are installed and the owner of the structure. Lifetime coverage for all Owens Corning® shingles applies only to single-family detached homes. In the instance of shingles purchased or installed on property owned by others (for example, corporations, governmental agencies, partnerships, trusts, religious organizations, schools, condominiums or cooperative housing arrangements) or installed on any other structures (for example, apartment buildings or any other type of building or premises not used by individual homeowners as their residence), the warranty period for lifetime shingles will be 40 years from the original installation date of the shingles, and the Tru® Protection coverage period will be five years. For lifetime shingle coverage (for as long as Owner owns the home on which the shingles are installed), see the "Limited Lifetime Shingle Proration® Table".

How About Wind Resistance—Your shingles contain asphalt sealant that requires direct warm sunlight for several days ("Thermal Sealing") in order to seal properly. If your shingles are installed during a period of cool weather, they may not adequately seal until the season changes or the weather warms, and if your shingles never receive direct sunlight or are not exposed to adequate surface temperatures, they may never achieve Thermal Sealing. Prior to your shingles achieving Thermal Sealing, your shingles are more vulnerable to blow-offs and wind damage. This is the fundamental nature of shingles and not a manufacturing defect, and we are not responsible for any blow-offs or wind damage that might occur prior to Thermal Sealing having occurred. After your shingles have achieved Thermal Sealing, however, they will be covered under this warranty if they experience blow-offs or wind damage in winds up to the levels and for the period from the original installation date ("Wind Warranty Period") listed in the "Limited Warranty Information Table" at the end of this warranty.

HOWEVER, THE COVERAGE AGAINST SHINGLE BLOW-OFFS OR WIND DAMAGE IS IN EFFECT FOR A PERIOD OF 10 YEARS FOR LIFETIME SHINGLES AND FIVE YEARS FOR ALL OTHER SHINGLES FROM THE ORIGINAL DATE OF INSTALLATION.

Owens Corning will be liable only for the reasonable cost of replacing blown-off shingles (to include material and labor during the applicable Tru® Protection® warranty period) and the reasonable cost of manually sealing the unsealed shingles remaining on the roof.
6. What About Algae Resistance—If the shingles that you purchased were not specifically labeled as “Algae Resistant” (AR), then any discoloration caused due to algae is not covered by this warranty as explained in “What Is Not Covered” below. However, if you did purchase AR shingles, they are covered for the period described in the “Limited Warranty Information Table” at the end of this warranty following the date of installation (AR Warranty Period) against brown-black staining caused due to growth of blue-green algae (primarily the cyanobacteria Gloeocapsa magma). We do not cover the effects of other growth such as mold, lichen and green algae. If brown-black staining occurs during the AR Warranty Period, you will be entitled to the following remedy:

A. Remedy for Blue-Green Algae Growth—If your AR shingles are discolored due to blue-green algae growth during the first year of the AR Warranty Period, we will compensate you for the cost, including labor (such cost not to exceed the initial cost of the AR shingles plus the initial cost of installation), as reasonably determined by Owens Corning, to repair, replace or recover the affected AR shingles. For purposes of this AR shingle warranty, the term “repair” as used above refers to cleaning or otherwise removing any blue-green algae growth from affected AR shingles. Decisions regarding whether your AR shingles should be repaired, replaced or recovered will be made solely by Owens Corning.

B. Proration—If your AR shingles have been installed longer than 1 year, labor will not be covered, and our compensation will be limited to a prorated amount of the original purchase price of the affected AR shingles. We will prorate your compensation to take into account the number of full years of use that you have enjoyed from the original installation date through the date of your claim. For example: If you make your claim anytime in the 4th year of the AR warranty, and the AR Warranty Period is 10 years, our compensation to you will be in the amount of the original purchase price of the affected AR shingles, reduced by 8 1/10ths of the original purchase price of the affected AR shingles.

Transferability of This Warranty (Note: Based on Original Installation Date)

This warranty is not transferable except as follows: You may only transfer this warranty 1 time, anytime during the life of the warranty, to the purchaser of the underlying roofing structure. For this warranty to transfer and the warranty 1 time, anytime during the life of the warranty, to the purchaser of the original installation date and ownership history.

60 days after the date of the real estate transfer, contact 1-800-ROOFING on which the shingles are installed. For this warranty to transfer and the warranty 1 time, anytime during the life of the warranty, to the purchaser of the installation date and ownership history.

1. If the transfer takes place within the Tru PROtection coverage period (see the “Limited Warranty Information Table”), the second Owner is entitled to the same coverage as the original Owner.
2. If the transfer occurs after the Tru PROtection coverage period (see the “Limited Warranty Information Table”), the balance of the warranty period (other than the AR Warranty Period and Wind Warranty Period) will automatically be reduced to a 2-year period after the date of ownership change. If there is a manufacturing defect that causes leaks during this 2-year period, our compensation to the second Owner will be based only on the original cost of the defective shingles reduced by the amount of use that the second Owner and the original Owner have enjoyed from the original installation date through the date of your claim.
3. The AR Warranty Period and Wind Warranty Period are fully transferrable. The second Owner will receive the balance of the coverage outlined in the “Limited Warranty Information Table” based upon the original installation date.

What Is Not Covered

Our warranty does not cover damage to the Owens Corning® shingles due to any cause not expressly covered in this warranty. After our shingles leave our manufacturing facility, they are subjected to conditions and handling beyond our control that could affect their performance. This warranty does not cover any problems with non-defective shingles caused by conditions or handling beyond our control. Some examples of conditions not covered by this warranty include:

1. Acts of God, such as hail, stormy storms (e.g., hurricanes) or winds over the maximum wind speed listed in the “Limited Warranty Information Table” at the end of this warrant, ice damming above the area covered by leak barriers or flashings or snow or water infiltration through exhaust vents.
2. Damage or failure of the shingles as a result of damage to or the failure of the underlying roofing structure.
provision. A party who intends to seek arbitration must first send to the other, by
certified mail, a written notice of intent to arbitrate ("Notice"). The Notice to Owens
Corning should be addressed to: One Owens Corning Parkway, Toledo, Ohio 43659
(“Arbitration Notice Address”). The Notice must (a) describe the nature and basis of
the claim or dispute; and (b) set forth the specific relief sought ("Demand"). If the
parties do not reach an agreement to resolve the claim within 30 days after Notice
is received, you or Owens Corning may commence an arbitration proceeding. All issues
are for the arbitrator to decide, including the scope of this arbitration clause, but the
arbistrator is bound by the terms of this warranty. The arbitration shall be governed by
the Commercial Dispute Resolution Procedures and the Supplementary Procedures
for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration
Association ("AAA"), as modified by this warranty, and shall be administered by the AAA.

YOU AND OWENS CORNING HEREBY WAIVE THE RIGHT TO A TRIAL
BY JURY.

The arbitrator may award injunctive relief only in favor of the individual party
seeking relief and only to the extent necessary to provide relief warranted by that
party’s individual claim.

YOU AND OWENS CORNING MAY BRING CLAIMS AGAINST THE
OTHER ONLY IN EACH PARTY’S INDIVIDUAL CAPACITY, AND NOT AS
A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR
REPRESENTATIVE PROCEEDING.

Further, you agree that the arbitrator may not consolidate proceedings of more
than one person’s claims, and may not otherwise preside over any form of a
representative or class proceeding.

Governing Law and Forum

This warranty and all Disputes are governed by United States Federal laws and laws
of Ohio. Subject to the “Arbitration” provision in this warranty, if there are any Disputes
that cannot be arbitrated, then the parties consent to the exclusive jurisdiction and
venue of the state and federal courts in Ohio with respect to such Disputes.

Savings and Severability

To the extent that this warranty is inconsistent with applicable law, this warranty is
hereby modified to be consistent with such applicable law. If an arbitrator or court
determines that any term in this warranty is illegal or unenforceable, the parties
intend for the arbitrator or court to interpret or modify this warranty to effect
the original intent of the parties as closely as possible while rendering the term
and this warranty fully legal and enforceable. If a term in this warranty cannot be
rendered legal and enforceable accordingly, the parties intend for the arbitrator
or court to sever the illegal or unenforceable term from this warranty, leaving the
remainder of this warranty enforceable.
